ALL ABOUT ME

I was born and raised in Montreal. Once I finished high school and CEGEP, I went to McGill University, where I got my Bachelor in Elementary Education. After university, I moved all the way across the country to Vancouver, BC, to pursue a Masters in Educational Technology. I fell in love with the ocean and the mountains and stayed in Vancouver for 8 years, teaching at Vancouver Talmud Torah. I then moved to Toronto where I taught at Leo Baeck and Bialik Hebrew Day School. I am so happy to be even closer to home now that I am in Ottawa and part of the incredible OJCS family. I've taught almost everything there is to teach in a school: Hebrew, French, Gym, Art, Computers and Grades 2, 3, 4, 5, 6, 7 and 8! I have no doubt this is going to be a great year.
