I put in my best effort on every task

WHAT CAN I DO IF I'M STUCK ON SOMETHING?

Email

You have all your teachers' email addresses. You can ALWAYS email them for some help.

Parents

Your parents may be at home working too. If you want to ask them something quick, you can. But if the work is too hard, email your teacher instead!

Google Hangout Chat

We are all on Google Chat all day as well. You can send us a message there.

Be Specific

No matter who you ask, make sure to be clear and specific with what you would like to know.

Friend

We're all in this together. If you're unsure of something, ask a friend!

Growth Mindset!

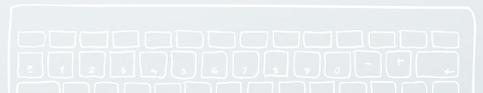

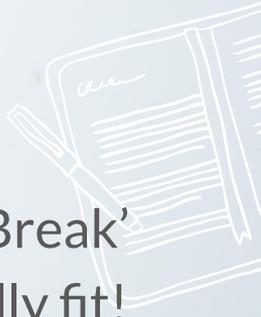

This is new and scary for all of us. Stay positive and we will get through this together!

Stay Healthy!

- ❖ Take regular breaks from your screen
- ❖ Choose healthy snacks
- ❖ Facetime and chat with friends
- ❖ Go for walks
- ❖ We've build in the 'Mind & Body Break' with activities to help stay mentally fit!

- ❖ Take time to do things that make you feel calm and happy

WHAT MATERIALS DO I NEED?

WE ARE EACH RESPONSIBLE FOR ONE ANOTHER!

- It's going to take time to find our new routine. We're here for one another and we'll figure it all out together.
- As we encounter 'hiccups' or challenges along the way, we'll work together to find solutions.
- Don't ever feel 'stuck'- reach out to your teachers.
- Be patient with yourself and others. We're going to make mistakes and we'll learn from them.
- Above everything- be kind and supportive to others at a time like this :)
